

Chairman's report 2019

Welcome to the clubs AGM

This is my first report as Chair and firstly I would like to thank the committee and coaching team of Bury and Elton for support over the year.

We have a few positions available this year, such as competition secretary, membership coordinator and Vice Chair, if you would like to undertake these roles then our outgoing committee members will provide training.

I would like to personally thank all the committee, with focus on the official roles of:-

- **Jean**, our secretary for all the help and support over the last year and undertaking the competition secretary role to such great efficiency.
- **Andy**, our treasurer for the excellent work on our finances
- **Lou**, our welfare officer who has been tirelessly sorting out all the DBS clearances
- **Alison**, this is her last year on the committee and as membership coordinator, she will be missed.
- **Martyn**, as vice chair, again this is his last year and he will be missed
- **Monika**, for all the help over the last year on our shop and collecting money for galas
- Thanks to our president David James

Status

Bury and Elton has remained stable over the year both in terms of membership and overall membership. The club is moving towards Swim Mark in 2020 with 14 of 16 elements completed.

John Bennett has stepped down as Head coach this year and I am standing in an Interim Head Coach while we advertise the Head Coach position. The committee would like to thank John for all his years' poolside for Bury and Elton. John is continuing poolside as a senior member of coaching/teaching team. The coaching team remain unchanged during this transition phase.

The main highlights of the year are:-

Captains

A big thank you to our 2019 swimming captains, Elle Calderbank and Kathleen Oliver, they have been a role model to our younger swimmers and up and coming younger coaches. I am really keen to promote and encourage our experienced swimmers into teaching and coaching.

Pool Facility

Our pool is Castle Leisure centre and we have increased pool time on Sunday for extra diving practice and consolidated the main pool during Wednesday.

Swimming successes

Our gala team were extremely successful in 2019 winning lots of galas at home and away. We also had lots of swimmers qualify for Counties and Regionals.

Bury and Elton won table B, however the Central Lancs table is incorrect

Congratulations to all our swimmers who either won medals improved on their PB's or competed at whatever level. Well done to you all and I hope you have set some targets to beat for this year.

Volunteers

Bury and Elton is a club largely run by volunteers giving up their free time. The greater the number of people involved the better we are to share the workload. Anyone able to give some time to the Club, which can be either large or small, will be able to assist in some area

Finances

Andy Melbourne has provided the clubs current position which we will run through in more detail during committee meeting, however I would state we are in a strong stable financial position with a long term vision of the future.

Thanks again for all support and I hope that the club can continue to grow and develop over the next year.
